

1 Q. **Tab: 2016 Capital Plan: p. B-10/B-11 Environmental Assessment of the Bay**
2 **d’Espoir to Western Avalon Report**

3 For the alternative routes being considered in the environmental assessment, has
4 Hydro developed an estimate of the costs?

5

6

7 A. High level estimates were developed for analysis in the Environmental Assessment.
8 The northern and southern routes increase the total estimated cost by
9 approximately \$73M and \$26M, respectively.
