

1 Q. **Tab E – Projects Over \$50,000 and Less Than \$200,000: p. E-66 – Upgrade Access**  
2 **Roads to Microwave Sites, Gull Pond Hill and Sandy Brook Hill**

3 Please outline incidents in the last 5 years where private fuel suppliers have been  
4 unable to access the sites for fuel delivery solely due to road conditions.

5

6

7 A. While there are no written records of each incident in which fuel suppliers have  
8 been unable to access the sites as a result of road conditions, Hydro Operations  
9 personnel have confirmed that fuel delivery has been refused at Gull Pond Hill  
10 within the past five years and at Sandy Brook Hill as recent as last year.
