

- 1 Q. **Volume III, Tab 12 – Replace Diesel Units, Cartwright and Charlottetown, Labrador**
2 Please identify the new genset manufacturer for the Charlottetown replacement
3 unit. Is this the same manufacturer who made unit 2079 which failed prematurely?
4
5
6 A. The manufacturer of the new genset will be determined post project approval. The
7 manufacturer selected will be the one who meets all the specifications put forth in
8 the Public Tendered Documents and is the lowest cost, technically compliant
9 bidder.
