

1 Q. **Volume III, Tab 29 – Upgrade Digital Fault Recorders**

2 Please outline any spares for the fault recorders Hydro currently has on hand.

3

4

5 A. Hydro does not currently have any spares on hand for the digital fault recorders in
6 the system. However, as a part of Hydro's ongoing critical spares review, fault
7 recorder spares are being reviewed and will be considered for addition to inventory
8 within the coming months.
