

1 Q. **Project C-90: Replace MDR 4000 Microwave Radio East - Various Sites**

2 Further to IC-NLH-37, provide the number of times Hydro has purchased
3 components for its radio system since 2004.

4

5

6 A. Hydro has purchased components for its MDR-4000 microwave radio system a total
7 of four times since 2004. This is separate from components that may have been
8 replaced in modules returned to the manufacturer for repair.
