

1 Q. **Project C-102: Upgrade Telecontrol Facilities - Sandy Hill Brook**

2 Volume I, Tab C, pages C-102 to C-103, cites Appendix, "Replace Personal
3 Computers" found in Volume III, Tab 38. On page 12 of the Appendix, it states Table
4 2 is the Budget estimate to refurbish the microwave shelter. On page 13 of the
5 Appendix, it also states that Table 3 is the Budget estimate to refurbish the
6 microwave shelter, however the title of Table 3 states it is the "Budget Estimate for
7 Replacement Option". Please confirm which Table cites the budget estimate for the
8 refurbishment option, and which Table cites the budget estimate for the
9 replacement option.

12 A. On page 12 of the report "Upgrade Telecontrol Facilities" (which is referenced as
13 the attachment in Vol I, Tab C, pages C-102 to C-103), Table 2 is titled "Budget
14 Estimate for Refurbishment Option" and refers to the costs to refurbish the shelter.
15 On page 13 of the Appendix, Table 3 is titled "Budget Estimate for Replacement
16 Option" and refers to the costs to replace the shelter. The confusion lies with the
17 line before Table 3. This line should read "Table 3 outlines the budget estimate to
18 **replace** the microwave shelter".
