

1 Q. **Project D-394: Implement Industrial Billing Software - Hydro Place**

2 With reference to “Justification” for this Project at page D-396, has Hydro obtained
3 further information with respect to the solutions available for software upgrades
4 and the associated costs thereof.

5

6

7 A. With reference to justification for this project at page D-396, Hydro worked with
8 the current meter reading software vendor to obtain a budgetary number for the
9 purchase and implementation of a solution. Further cost determination on
10 solutions will follow the Request for Proposal (RFP).
