

1 Q. **Reference: 2016 - 2020 Capital Plan, Volume I, Page 6** What is the anticipated  
2 date for “full project completion” for the *100 MW (Nominal) Combustion Turbine*  
3 *Addition – Holyrood* capital project?  
4  
5

6 A. The following is a summary of key project milestones leading to full project  
7 completion:

- 8 1. CTG synchronized and provided first power to the grid in January 2015.
- 9 2. CTG was commissioned and accepted by operations February 2015.
- 10 3. Demobilization of construction trailers/infrastructure started in late  
11 February 2015 and is now complete.
- 12 4. Substantial acceptance achieved in July 2015.
- 13 5. Anticipate final acceptance by early October 2015.
