**Attention: Ms. G. Cheryl Blundon, Director of Corporate Services  
and Board Secretary**

Dear Ms. Blundon:

**Re: 2015 Cost Deferral Application of Newfoundland and Labrador Hydro**

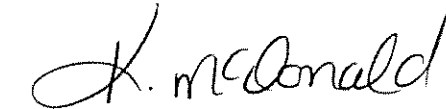

With reference to the above Application, the Island Industrial Customer Group are satisfied to have the Board make their decision on whether Hydro has made its case for the establishment of a deferral account, based on the submissions made to date.

Should the Board order that a deferral account be established, then the Island Industrial Customer Group reserve their full rights to make future submissions on the disposition of the deferral account.

We trust this is in order.

Yours truly,

Stewart McKelvey
