Subject: RE: NLH - Application for the Approval of a Plan for the Rate Stabilization Plan ("RSP") Surplus to Customers - Request for Further Information

Dear Sirs:

This is to advise that the Consumer Advocate has received a copy of Hydro's 12 July Application as well as Hydro's 29 July Reply to the Board's correspondence of 25 July, 2016 in relation to the same.

The Consumer Advocate supports the Application of Hydro and agrees in particular with Hydro's position that it would be incorrect and improper to provide a refund of the RSP to Rural Rate 1.3 for the reasons expressed by Hydro.

Sincerely,

Tom Johnson
