Consumer Question: Re: Conservation and Demand Management: In  
Table 1.7, Section 1.9 (p. 34, vol. 2), MHI compares Nalcor with three  
other Canadian utilities, but the comparison does not include the  
methodology for capturing and estimating CDM effects.

- (a) Which of the Canadian utilities you surveyed use Nalcor's  
method?
- (b) Why did MHI not analyze or comment on Nalcor's use of this  
methodology?

Dated at St. John's in the Province of Newfoundland and Labrador, this 17<sup>th</sup> day of February,  
2012.
