

1 Q. Consumer Question: With respect to the potential power exports in the early
2 stages of the project can it be confirmed that the revenue will be directed to lower
3 rate payer rates. Please provide a Yes or No answer.

4

5 (a) If Yes, what is the expected power sales, and how much will the rates
6 decrease because of the Emera partnership.

7

8 (b) If No, please explain to the NL rate payer as to why not.

9

10

11 A. The information requested does not assist consideration of the Reference Question,
12 as neither the Terms of Reference nor the Reference Question addresses potential
13 power exports.
