

1 Q. Consumer Question: Further to the preamble outlined in CA/KPL-Nalcor-194, what
2 is the danger that Muskrat Falls will not be able to deliver 4.5 TWh of firm energy?

3

4

5 A. Based on the extensive modeling completed by Nalcor and its consultants, Nalcor is
6 confident in the ability of Muskrat Falls to deliver the forecasted annual firm
7 energy.
