

1 Q. Consumer Question: Regarding access to Churchill Falls power, has a court date
2 been set yet for CFLCo's legal challenge in Quebec's provincial court to the 1969
3 contract? If so, what is that date?

6 A. Please note that CF(L)Co's legal challenge in Quebec Superior Court does not
7 address access to Churchill Falls power, but rather seeks to change the pricing
8 terms under the 1969 Hydro Quebec Power Contract. This matter is expected to be
9 heard in the fall of 2013.
