

1 Q. Consumer Question: Given the investment not including interest, costing every
2 man, woman and child of this province anywhere from 12-18 thousand dollars,
3 shouldn't doing the project be put to a referendum or plebiscite?
4

5
6 A. The information requested does not assist consideration of the Reference Question,
7 as neither the Terms of Reference nor the Reference Question addresses this
8 matter.
9

10 Any decision related to this matter would be within the purview of the Government
11 of Newfoundland and Labrador.
