

1 Q. Consumer Question: What is the value of the Muskrat Falls to Churchill Falls intertie
2 to the island ratepayer? Is the intertie essential to LIL?

3

4

5 A. The intertie between Muskrat Falls and Churchill Falls is essential to the successful
6 operation of the Labrador Island Transmission Link. The rationale for including the
7 cost of the lines between Muskrat Falls and Churchill Falls as a cost to island
8 ratepayers is discussed in Nalcor's response to CA/KPL-Nalcor-7.
