

1 Q. Consumer Question: If Nalcor builds Muskrat will the PUB be able to review the
2 final project costs to determine if reasonable?

3

4

5 A. The current review by the Board is the result of a direction from the Government of
6 Newfoundland and Labrador pursuant to section 5 of the *Electrical Power Control*
7 *Act, 1994*.

8 Any decision on a future is within the purview of the provincial government.
