

1 Q. What allowance for head pond clearing access has been included?

2

3

4 A. Access for clearing the reservoir (head pond) has been included in the Muskrat Falls  
5 capital cost estimate. While the specific amount is commercially sensitive and may  
6 not be released into the public domain, the cost estimate for reservoir preparation,  
7 including road construction for clearing, is available to the Board and its Consultant  
8 in Confidential Exhibit CE-65.
