

1 Q. Further to PUB-Nalcor-126, have the costs of these additions been included in the  
2 CPW analysis?

3

4

5 A. Further to PUB-Nalcor-127 the Holyrood condition assessment report did not  
6 address the potential remaining useful life of the assets at 2041. As a result no  
7 costs for replacement have been included in the CPW analysis.
