

1 **Re Page B-158:**

2 Q. How many hours of service has each of the units had in each of the past two
3 years?

4

5

6 A. We do not track engine hours on a regular basis. Based on the recorded
7 hours in 2003 and the current hours on the meter, we have estimated the
8 average annual usage at 126 hours for Unit 7646 and 123 hours for Unit
9 7649.
