Venam's Bight	4	0.13%
Western	35	1.10%
Wabush	19	0.60%
Whitbourne	12	0.38%
Woody Point	1	0.03%
Total	2524	79.50%

<sup>\*</sup> The 80% losses and near misses calculation includes Hydro Group of Companies experience in Churchill Falls (Labrador) Corporation. If this component is removed so as to consider only regulated Hydro activities, the Holyrood portion of Hydro's losses and near misses since 1998 equals 651 of 2,159 events, or 30%.
