

1 **Re: Page B-46, Precipitator and Scrubber Installation Study, \$272,200.**

2 Q. Please provide a copy of the section that is relevant to the performance of
3 this generating station.

4

5

6 A. Section II of the "Regulatory Framework for Air Emissions" (attached to PUB
7 NLH 21.0) outlines the framework that applies to this generating station.
