

1 **Re: Page B89, Replace Line Camp 98 – TL-228**

2 Q. Please provide an Engineering Report on the condition of the existing
3 building including a cost benefit analysis showing a comparison of the
4 options that have been considered for dealing with this problem.

5

6

7 A. Please see response to PUB NLH 42.0 Atth 1. Since no other practical
8 alternative was identified, there is no cost benefit report available.
