

1     **Re: Page B-162, Installation of Fall Arrest Equipment, \$404,500**

2     Q.     Have the standards which originally guided the program changed since its  
3           inception? If so, how?

4

5

6     A.     The standards which originally guided the program have not changed since  
7           its inception.
