

1 Q. **Re Complete Condition Assessment Phase 2**

2 As per Table 2 at page 15 of Tab 5, it indicates that Hydro expects to receive the
3 Phase 2 Final Report in December of 2011. When does Hydro anticipate moving
4 forward with the Phase 3 work and report?

5

6

7 A. It is anticipated that Hydro will move forward with Phase 3 of the condition
8 assessment and life extension program for Holyrood in 2012. However, if
9 unforeseen issues of urgency are identified in 2010 or 2011, Phase 3 may move
10 forward.
