2 There is no recovery shown for this project at Table 1. On what basis or in what
3 manner are the costs of physical plant shared by the non-regulated business of
4 NALCOR?

5

6

7 A. Hydro charges a monthly administration fee to each non-regulated line of business.
8 Included in this administration fee is a charge for floor space occupied by each non-
9 regulated line of business. The floor space charge based upon floor occupancy
10 recovers costs of shared plant.
