

1    Q.    **Re 2011 Capital Plan**

2            As regards Holyrood soot blowing operations, has the environmental regulator  
3            imposed fines or amended Hydro's Certificate of Approval?

4

5

6    A.    Though Holyrood Thermal Generating Station NO<sub>x</sub> and particulate emissions exceed  
7            the 20 tonne annual limit according to Air Pollution Control Regulations, 2004, the  
8            Government has not imposed fines or amended Hydro's Certificate of Approval.
