

1 Q. **Re Overhaul Gas Turbine (Holyrood) p. B-15**

2 The report at Tab 6 indicates (p. 4) that the gas turbine plant will be out of service
3 for approximately five months to complete the work under this project. What
4 contingency plan exists in the event that Holyrood requires a black start during this
5 period?

6

7

8 A. Please see response to IC-NLH-26.
