

1 Q. **Re 2011 Capital Plan Section, pages 22 -23, "Holyrood Projects in a No Infeed**  
2 **Scenario:**

3 Provide the latest cost estimates for each of the following projects identified in the  
4 Generation Planning Issues document at Tab 38 Volume 2: Island Pond, Portland  
5 Creek, Round Pond, combined cycle plant, HTGS Unit IV.

6  
7

8 A. The requested cost estimates for these projects have no bearing on the current  
9 Application and public disclosure of Hydro's estimates would be imprudent in light  
10 of potential competitive bidding processes.
