

1 Q. **Re 2011 Capital Plan - Individual Capital Projects:**
2 **Project B-81, Replace MDR 6000 Microwave Radio (West)-Various Sites:** Has Hydro
3 developed a specification or identified particular brands or models of equipment on
4 which the proposed budgeted amount for equipment is based?

5

6

7 A. The proposed budget is based on the estimated cost of Alcatel MRD-8000 series of
8 microwave radio equipment. Alcatel is the manufacturer of all of Hydro's existing
9 microwave radio equipment.
