

1 Q. **Re 2011 Capital Plan - Generation Planning Issue 2010 July Update**

2 If the energy referred to in IC-NLH-33 is being purchased, provide the details of the
3 purchase agreement, including pricing, and particulars of any approval by the Public
4 Utilities Board of such purchase arrangements.

5

6

7 A. It is assumed that the correct reference is to IC-NLH-46. The energy is not being
8 purchased under power purchase agreements. The arrangements for the receipt
9 and use of the energy are as described in IC-NLH-46. There are no approvals from
10 the Public Utilities Board for these arrangements.
