Dear Sirs:

On September 22th, Hydro filed its Report on the Upgrade Transmission Line Corridor Bay d'Espoir to Western Avalon. Because of the delay in receiving this report and the magnitude of the project the Board has decided that it will consider this report in Phase III of the Application. The proposed schedule for Phase III is attached for your review.

If you have any comments please contact either the undersigned or the Board's Legal Counsel, Ms. Maureen Greene, Q.C.

Yours truly,
