

1 Q. **Re: Refurbishment of Marine Terminal at the Holyrood Thermal Generating**
2 **Station (Tab 3)**

3 At page B-27, Appendix B, regarding "Inspection", Hatch recommends a detailed
4 inspection of the metal thickness of the jetty piles. Has this inspection been
5 completed? Is it scheduled to be completed?
6
7

8 A. No, the detailed inspection of the metal thickness of the jetty piles has not been
9 completed. It is anticipated that this inspection will be completed in 2012, during
10 the detailed design phase of the project.
