

1 Q. What facilities in the province besides Holyrood, if any, provide an operator with
2 the opportunity to obtain a first class ticket.

3

4

5 A. Under the Boiler Pressure Vessel Act, which is administered by the Department of
6 Government Services, any plant that has the requirement for a second class shift
7 engineer would provide operating experience to complete a first class ticket. The
8 following companies in the province provide their operators the opportunity to
9 obtain a first class ticket:

- 10 • North Atlantic Refinery;
- 11 • MUN;
- 12 • Corner Brook Pulp and Paper LTD;
- 13 • IOC; and
- 14 • Vale at Long Harbor has advertised for a First Class Chief Power Engineer.
