

1 Q. At paragraph 14 of the "Holyrood Condition Assessment Technical Conference"  
2 document dated October 13, 2011, there is a "Thermal Operation Chart" wherein  
3 the 28 operators are listed, including three (3) Lead Thermal Plant Operators.  
4 Please indicate the present level of qualifications of each of the Thermal Plant  
5 Operators.

6

7

- 8 A. Out of the 25 Thermal Plant Operators referred to on the Thermal Operation chart,  
9 the level of qualifications of each of these Thermal Plant Operators is as follows:
- 10 a) Seventeen with Third Class Power Engineering Certification. (Note: Position #  
11 213-41 retired in May 2011);
  - 12 b) Seven with Second Class Power Engineering Certification; and
  - 13 c) One with First Class Power Engineering Certification.
