

1 Q. **Re: Phase II - 2 Holyrood Projects - Post Technical Conference**

2 With reference the Operator Training Simulator (OTS) Project, if this Project is
3 approved by the Board by January 2012, when will the Project commence and when
4 will the OTS be in operation and in use?

7 A. Assuming the project is approved by January 2012, internal engineering work will
8 begin late January and the OTS will be in operation and in use by September 2013.
