

1 Q. **Re: B-5, Rewind Generator Units 1 and 2, \$112,200 in 2012, \$1,107,600 in**
2 **2013, and \$10,681,400 in future years**

3 Since in describing the project Hydro provides estimates for expenditures on this
4 project in 2012, 2013 and in future years, why has Hydro not applied for approval of
5 this project as a multi-year project?
6
7

8 A. Hydro has applied for approval of this project as a multi-year project. Summary
9 Pages A-3 and B-1 and Table 1: Budget Estimate on Page B-5 of Volume I of the
10 Capital Budget Application, show the project as a multi-year project beginning in
11 2012. Table 6: Budget Estimate on Page 27 of the Unit 1 and Unit 2 Generator
12 Stator Rewind report at Tab 2 shows the expenditures for the four years from 2012
13 to 2015. Table 7: Project Schedule, of the same report shows the start and end
14 dates for the various activities spanning the four-year period.
