

1 Q. P. 6 of the 2012 Capital Plan states that the 5-year plan is under “*substantive*
2 *review*” and will be updated in the December 2011 Quarterly Report to the Board.
3 This was confirmed at the Technical Conference on October 13, 2011. Will the
4 review now in progress affect in any way the proposed 2012 capital projects for
5 which Hydro is currently seeking approval? If so, what change is anticipated?

6
7
8 A. The review now in progress will not affect in any way the proposed 2012 capital
9 projects for which Hydro is currently seeking approval. The current review is
10 revisiting content in years 2013 to 2016.
