

1 Q. **C-205, Remove Safety Hazards \$249,100**

2 How is the budget estimate for this project determined?

3

4

5 A. The previous work associated with rectifying SWOP (Safe Workplace Observation  
6 Program) issues for previous years, that are deemed to be capital expenditures, are  
7 reviewed annually. Over the past number of years, the value of this work has been  
8 in the order of \$250,000.
