

1 Q. **2012 Capital Plan**

2 On p. 10 of the 2012 Capital Plan, it is stated that resource planning is in the review
3 for approval stage, pending the outcome of the 2012 Capital Budget Application.
4 What does this mean?

5

6

7 A. Hydro is awaiting the Board's approval of the 2012 capital projects to confirm that
8 all of the identified resources will be necessary to execute the 2012 capital plan.

9 Should the Board not approve a project, for example, the resource plan will be
10 revisited.
