Ladies & Gentlemen:

Re: Newfoundland and Labrador Hydro's Application for Approval of Two Capital Projects at the Holyrood Thermal Generating Station: Unit 1 Stack Breeching and Fuel Oil Storage Facility

Further to the Board's letter of August 23, 2011, the Consumer Advocate submits that it would be appropriate to defer the above noted matters to the Phase II review of the 2012 Capital Budget Application.

We trust the foregoing is found to be in order.

Yours very truly,

O'DEA, EARLE
