RE: Newfoundland and Labrador Hydro's application for approval of two capital projects at the Holyrood Thermal Generating Station

Dear Sirs;

The schedule for the review of the above noted application was forwarded to you on July 25, 2011. RFIs were sent to Hydro, as contemplated by this schedule, on August 15, 2011 and responses to these RFIs are due on August 29, 2011.

As you are aware, the Board has decided to review Newfoundland and Labrador Hydro's 2012 Capital Budget Application in two phases. It may be appropriate to defer the above noted application to the Phase II review of the 2012 Capital Budget Application which will deal with capital projects for the Holyrood Thermal Generating Station. The Board requests your comments by September 2, 2011 on the process for the above noted Application.

If you have any questions, please do not hesitate to contact the Board's Legal Counsel, Ms. Maureen P. Greene, Q.C., at 726-6781 or by e-mail: mgreene@pub.nl.ca.

Yours truly,

Cheryl Blundon
Board Secretary
