

- 1 Q. Re: Holyrood: Upgrade Unit 1 Stack Breeching  
2 Why is not the minimum service life of the breeching system, the period from  
3 present to 2016?  
4  
5
- 6 A. Please see response to CA-NLH-16. It is not prudent to limit the planning horizon  
7 for the Holyrood facility to the date at which the Labrador Interconnection is  
8 scheduled to commence operation.
