

- 1 Q. Re: Refurbishment of the Fuel Oil Storage Facility
- 2 Under Hydro's contract with its fuel deliverer, can Hydro stipulate the size of the
- 3 shipment of oil required, i.e. is there a minimum or maximum shipment size?
- 4
- 5
- 6 A. Yes, Hydro can stipulate a reasonable size (volume) of oil in its shipments, however,
- 7 there is a maximum vessel size in terms of gross tonnage, draft, and overall length.
