

1 Q. **Unit 1 Stack Breaching:** What would be the average of the 11- year maintenance  
2 cost history for Unit 1 if only that part of the maintenance cost incurred in 2006  
3 which was not attributable to the replacement of the floor in Unit 1 in 2006 was  
4 included in the calculation of that average?

5

6

7 A. If the maintenance cost associated with the floor replacement in 2006 was not  
8 included, the average 11-year maintenance average would be \$46,663.
