- 1 Q. Re: Industry: In any instance where the Company states it relied on values from
2 other utilities, please provide the corresponding data relied on identifying the
3 utility, the specific value associated with that utility and when each utility's
4 regulator approved such a value by account corresponding to Newfoundland and
5 Labrador Hydro's listing of accounts.

7
- 8 A. Please refer to Schedule 2 in the Gannett Fleming report which is found on page III-
9 6 and to IC-NLH-22 – Attachment 1. Mr. Kennedy does not have records of when
10 each utility's regulator approved these values.
