

1 Q. Re: Net Salvage: Please provide the average per unit price obtained for scrap for
2 each type of material sold, by account, by year for the past 10 years.

3

4

5 A. Hydro's excess material is disposed of through public auction and records are not
6 maintained on the type of scrap. Any proceeds not identifiable with a specific
7 asset, such as scrap material are recorded in a separate account. These amounts
8 for 2000 to 2009 are shown in the table below.

9

10	<u>Year</u>	<u>Amount (\$)</u>
11	2009	23,293
12	2008	77,538
13	2007	182,639
14	2006	83,000
15	2005	94,735
16	2004	31,258
17	2003	266,216
18	2002	34,472
19	2001	44,281
20	2000	112,910
