

1 Q. Re: Net Salvage: Please provide a copy of each retirement work order associated
2 with the retirement of 1 kilometer or more of distribution lines during the past 10
3 years.

4

5

6 A. Hydro does not maintain work orders in a manner which can be readily sorted into
7 retirements of distribution lines. Primarily, Hydro's distribution assets are retired
8 through upgrading of the infrastructure and the work orders are not separable.
