

1 Q. Re: Account P05: Please provide a detailed description of the various assets and
2 corresponding cost of each set forth in Account P05 – Pole Structures - Wood,
3 including all information and documentation the Company believes is significant or
4 meaningful to the determination of life characteristics. The information should
5 include the height, type (e.g., pine, redwood, etc.), and chemical treatments along
6 with when the treatments were implemented, if any.

9 A. Please see CA-NLH-100 Attachment 1. This account was analyzed in total, rather
10 than on an asset by asset basis, and the asset specific data was therefore not a
11 consideration. Available data on specific asset characteristics is contained in the
12 description field of Attachment 1.

Below is a list of all assets in account P05 - Pole Structures - Wood that were included in the data list used for Gannett's depreciation study.
