

1 Q. Re: Account T03: Please provide a detailed description of the various assets and
2 corresponding cost of each set forth in Account T03 – Tools & Equipment, including
3 all information and documentation the Company believes is significant or
4 meaningful to the determination of life characteristics. Further, provide all reasons
5 and justification, including all documents that support any position that an average
6 service life greater than 20 years (e.g., 25 or 30 years) is not appropriate.

9 A. Please see CA-NLH-132 Attachment 1. This account was analyzed in total, rather
10 than on an asset by asset basis, and the asset specific data was therefore not a
11 consideration.

Below is a list of all assets in account T03 - Tools & Equipment that were included in the data list used for Gannett's depreciation study.
